ונשמרתם מאוד לנפשותכם

To protect you and your fellow mikvah users from Coronavirus risk, we are taking all of the recommended steps to maintain the highest level of hygiene at all times.

We also need all users to adhere to the following guidelines:

If you experienced any Coronavirus-like symptoms, do not use the mikvah until the following three conditions are met:

- At least 14 days have passed since the onset of symptoms
- No fever for at least 3 days
- All other symptoms have improved

Preparations should be made at home to the greatest extent possible. Slippers should be worn in the mikvah.

There should be no physical contact between mikvah users and attendants.

Mikvah users should avoid congregating anywhere on premises and should maintain a minimum of 6 feet distance at all times.

Thank you in advance for your cooperation. May you and your family be blessed with great health!

Feel free to submit any question to <https://mygiftofmikvah.org/gift-of-thought/#questioning> or rgoldbaum@mikvahusa.org

Please feel free to reach out to Mikvah USA if you need any additional guidance or assistance.

Sincerely,

Rabbi Yitzchok Bistritzky
President and Founder of Mikvah USA

Mrs. Rochel Goldbaum
Educational Program Director
My gift of Mikvah;
Educational Department of Mikvah USA

Mrs. Shoshana Kay
National Program Director
My gift of Mikvah;
Educational Department of Mikvah USA

P.S. To receive detailed guidance from physicians; please reach out to Mrs. Klein at fklein@mikvahusa.org.
